A prominent orange shape, resembling a stylized arrow or a large 'V' with a long horizontal tail, points upwards and to the right. This orange shape is partially enclosed by a black shape that forms a wide, shallow 'U' or 'W' shape. The text 'era' is printed in a bold, black, sans-serif font within the orange area. Below it, the year '1965' is printed in the same font style. The overall composition is minimalist and modern.

SUPERINTENDENT MARTIN G. ATKINS

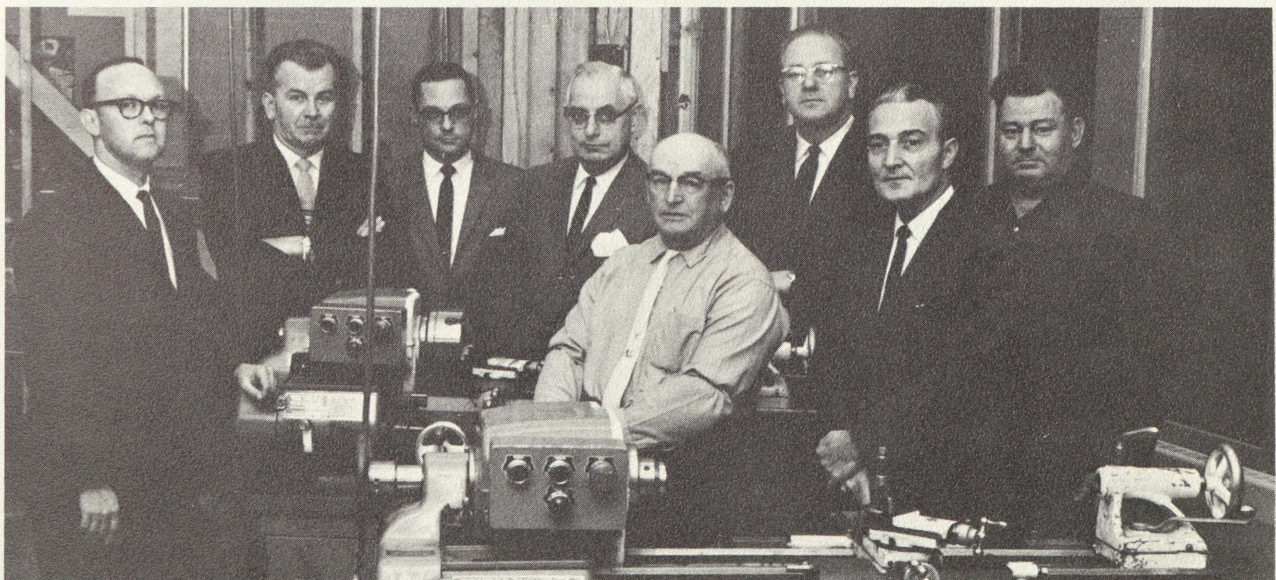

Curricular expansions result in progress.

During his first year as superintendent, Mr. Martin G. Atkins has demonstrated his ability as a fine organizer and administrator. Concerned with the responsibilities of the schools to the community, he has strived to make the Bridgeport Community Schools a better place of learning. His immediate goals for the high school in particular are curricular and vocational expansions, some of which went into effect this year.

Mr. Atkins' seventeen years of educational experience has included teaching and administering. Previous to his coming to Bridgeport, he held the position of Director of Educational Television at Central Michigan University. He is a graduate of Hillsdale College where he earned his bachelors and masters degrees.

In addition to school responsibilities, Mr. Atkins and his wife, Joy, are the parents of three children: Peter, Nancy, and Craig.

The board of education strives for continual progress.

Mr. John A. Brown is a graduate of Central Michigan University with a Bachelor of Science Degree. In addition to his duties as Assistant Principal, he taught Shorthand I and II this year.

Mr. Brown believes that Bridgeport has the best student body behavior of all schools in the area. He feels that Bridgeport High is a unique school in a close-knit community. Because of this closeness, there is unity within the student body.

North Central Accreditation is one of Mr. Brown's present goals. He would also like to have the students participate in the over-all academic and social activities of our school.

Their goals reflect continued improvement.

Mr. Eugene E. Strait is a graduate of Western Michigan University where he received his bachelors and masters degrees. Now in his fifteenth year of teaching, he holds the position of Director of Secondary Education.

In 1961 Mr. Strait came to Bridgeport High School from Hanover, Michigan. Accompanying him were his wife and two children. He first served as team chairman of the mathematics department; then in 1962, he was promoted to the position of Principal.

Mr. Strait's contribution of time and effort assisted in having our school accredited by the University of Michigan. He is beginning work on qualifying our school for North Central accreditation.

His personal goal is the continued improvement of our school for the betterment of all students.

history is made.

Among the various activities the social science classes have participated in this year are the senior government day and the United States history skits. Government day was a combination of such activities as signing petitions, registering for voting, and voting in a general election by machine. Volunteers were taken from the various seminars to go to the courthouse for interviews of county officials. In one government class students prepared reports about the ten cabinet members, and they later gave an hour-long lecture on each individual office.

The eleventh grade skits in United States history have ranged from satirical biographical sketches to serious portrayals of famous people. Members of the Social Science Department feel that since we deal with people constantly, it is important that we study about them. Thus, the curriculum of the social sciences is set as part of preparation for life.

The speech classes are learning to speak before an audience or in new surroundings. They touch lightly on theater, radio and television, and forensics.

As each era passes, it lays down a road one step closer to the future. At the sides of this road are scattered memories, many of which have been forgotten. A yearbook staff's main purpose is to collect and record these experiences. The "1965 Era" staff wishes to thank the faculty, administration, and the student body for their cooperation in making this book possible.

Editor, Pat Schomaker, goes through final layouts of the "1965 Era." Pat holds one of the most important jobs on the staff, and all the other members have appreciated her help and friendship.

THE 1964 BRIDGEPORT BEARCATS amassed 204 points and allowed only 132 points to their opponents, while rolling to their best season ever with 5 wins, 3 losses and 1 tie. In the season opener the Bearcats overpowered Standish-Sterling 32-12. Then, coming back after losing a 6-0 squeaker against Ithaca on a wet field, Bridgeport crushed the Carrollton Cavilers 45-0. The next game against our neighboring rivals, Buena Vista Knights, resulted in a 13-13 tie which brought about a tie between both teams for the Delta Conference Crown. The following Friday the Bearcats were handed a 32-12 loss from the powerful Oilers of Mount Pleasant. Mad after the loss from the previous week the Bearcats trounced the Arthur Hill Technicians 32-0. The highlight of the season came when the team turned back highly favored Douglas MacArthur 14-7. The victory made the homecoming complete. The Bearcats split their last two games defeating Tawas 28-21, and then losing the final game against Alpena 41-26.

First homecoming assembly honors queen and court.

On October 29, 1964, Bridgeport High relinquished for a short time its Student-Democratic government to accept the rule of a sovereign. On this day, at the first Homecoming Assembly in Bridgeport's history, Bernatta Kujawa was presented with an autographed football in front of the student body.

As Bernatta was being escorted into the auditorium by Ron Schuman, co-captain, the entire football team formed an honor guard. Later the team greeted her singing, "Hello, Dolly."

Just one day later on October 30, the crowning ceremony was performed during the half time ceremony of the homecoming game.

A float built entirely by members of the senior class was driven onto the field carrying Sandy Tobias, last year's queen. Next came three new convertibles carrying Bernatta and her court: Pat Chisena, Sally Armstrong, Michele Lange, and Sue Albrecht. Each girl was escorted from the cars to the float by their fathers.

Terry Dupuis, Student Council President, and Ron Barczak, co-captain of the football team, presented each member of the court with bouquets. Sandy performed the last official act of her reign as she placed the crystal crown on Bernatta's head.

Following the game, Queen Bernatta and her court reigned over the Homecoming Dance held in their honor by the senior class. It was truly a perfect end to a perfect day.

Queen Bernatta received her crown from the 1963 Homecoming Queen, Sandy Tobias.

J.V.'s show improvement for 1965 season.

The little Bearcats, composed of mainly freshmen, posted a 2-7 record this year. In their first encounter against Buena Vista Knights the little Bearcats lost 33-0. Seeking revenge after their opening season loss they came back to post a 14-7 win over Arthur Hill Tech. After losing their next five games to powerful class A foes: Douglas MacArthur, Arthur Hill, Saginaw High, St. Peter and Paul, Bay City Bangor, the J.V.'s came back and posted a stunning 27-0 victory over St. Andrews for their final game of the season.

CROSS COUNTRY TEAM, first row: John Gilmour, Bill Swain, Carl Rowley, Bob Siegrist, Bill Feit. Second row: Coach Doug Frank, Tom Nelson, Joe Leach, Greg Rovoll, Jim Menapace.

Hail the Harriers!

The 1964-1965 school year was the first year Bridgeport has had cross-country. Led by Bill Swain, the team finished the season with a duel meet record of two wins and three losses.

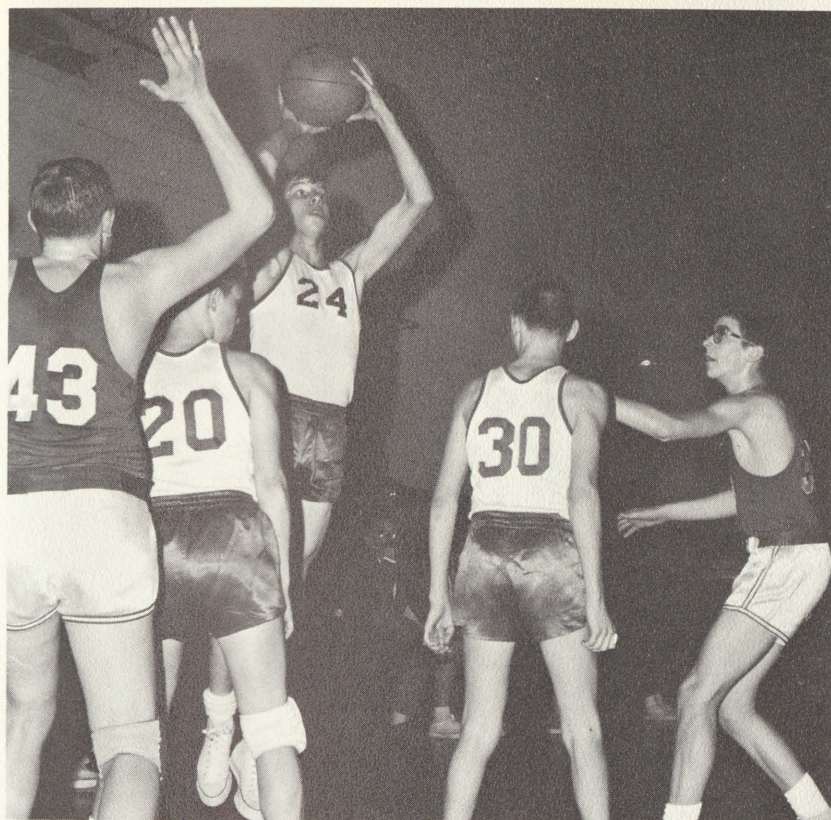

The season started with a loss to Douglas MacArthur, 22-33. In the next meet our harriers bounced back and defeated Buena Vista 25-30, but then suffered their worst defeat by losing to Mt. Pleasant 18-45. Bridgeport turned around and out-ran Buena Vista for the second time 22-38. The team has two more duel meets, losing both of them to Reese, 18-37 and 18-38.

The team also went to the Conference meet at Mt. Pleasant and the Regional meet at Fenton. In the conference we placed third and at the regional we placed sixteenth.

One of the best runners in the area, Bill Swain trots to a first place.

Freshmen show promise.

The Bridgeport Freshman Basketball Team shows great promise for the future. They possess both size and ability which is essential in producing a good basketball team. Under the leadership of Coach Charles Ohmer our freshman team was composed of two sub-teams: the A-team and the B-team. The A-team ended with a 4-10 record against very stiff Class A competition. They beat Douglas MacArthur, Carrollton, and Frankenmuth twice. The B-team compiled a 3-7 overall record, defeating Frankenmuth and Carrollton twice.

Little Bearcats net 973 points.

The little Bearcats ended their season with a 12-4 overall record, scoring a total of 973 points and giving up only 907 points. They combined experience and skill with team work to produce what Coach Jepson termed his "best J.V. team since the high school started four years ago."

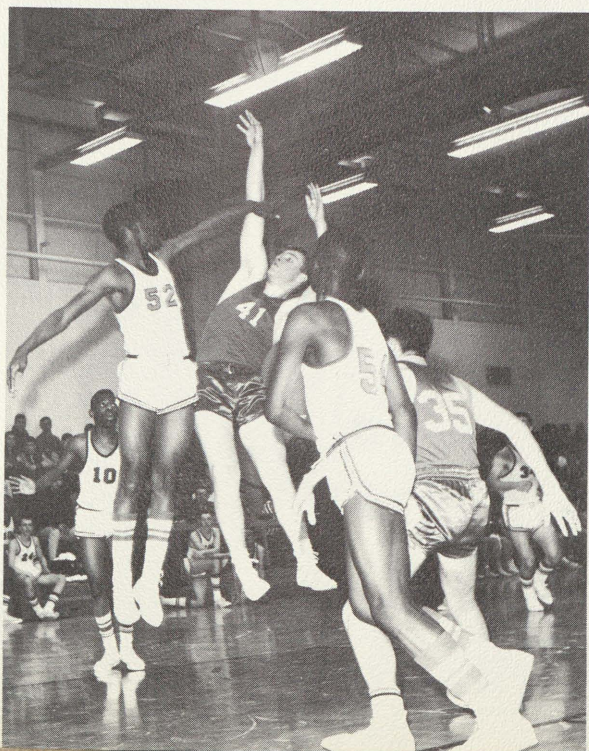

In conference play they finished with an outstanding 5-1 record. In their first encounter they defeated Arthur Hill Tech 55-32 and then squeezed past Buena Vista 59-57. The little Bearcats proceeded to give Carrollton a sound 60-56 defeat and again trounced Tech 73-53, but then things started to get a little rougher. They suffered a 36-78 setback by the revengeful hands of Buena Vista. To complete their conference play, the J.V.'s came back with a reassuring win over Carrollton by the score of 60-53.

The Bearcats, with a 9-12

The Bearcat Varsity Basketball team ended with a rather misleading 9-12 season record. The record would seem to indicate that they had a losing season. In reality, the team tied for second place in the Delta Conference. In state tourney play, Bridgeport won the district crown, and went all the way to the regional semi-finals before bowing out. In conference action the Bearcats had a 3-3 season record. They started the race for the crown by suffering a thorough trouncing from highly-rated Arthur Hill Tech, by a score of 48-75. Bridgeport's next hard court encounter was with their cross-town rivals, Buena Vista. They outshot their opponents on the way to a thrilling 72-66 victory. The up-and-coming Bearcats then played a see-saw battle with Carrollton winning the game 70-63. Then the team faltered and lost the next two games, Arthur Hill Tech 94-80 and Buena Vista 79-69. Discouraged, but showing good form, the Bearcats bounced back to a 70-60 victory over Carrollton to complete their conference race. Bridgeport fared much better in tournament play and became the "Cinderella" team. The Bearcats began by beating Sandusky 61-56 and Bad Axe 57-51. In the district final Bridgeport played Caro in what was probably the brightest moment of the season. The game was close right down to the gun, but the Bearcats won 55-51.

Next came the regionals where the team won its first encounter 66-55 from Marine City. Then in the regional semi-final it happened. The Bearcats just could not find the basket and were nipped 60-65 by Clio. So ended a good season. A season in which Bridgeport won a tournament trophy, a regional game, and best of all recognition for a job well done.

season, capture district trophy.

During the tournaments, Bridgeport's school spirit was very high. Certainly there was no lack of it on the team. In each of three pep assemblies the team sang a song written by THE OTHERS BROTHERS, John and Mike Gilmour. Before the Marine City game, they sang "Kings of the Court" to the tune of "King of the Road."

"Tickets for sale today, Destination I.M.A.
Your bus leaves at 5:15, come cheer your favorite team.
Took Caro with your support, ran them right off their court,
We're a team of means by all means, Kings of the Court."

Seven busloads headed for Flint, that's where all the Bearcats went
Marine City is our foe, Bridgeport will lay them low
Singing, tickets for sale today, Destination I.M.A.
Coach Averill has no fear, "I know that Arnie's here."

Won the district the other day, now the trophy is on display
Next week don't be surprised, if another is set before your eyes.
Singing, tickets for sale today, Destination I.M.A.
Your bus leaves at 5:15, Come cheer your favorite team.

If you wanna see a game, bring your hubby or your dame,
Bearcats will win tonight, now give us, one big fight!
Give us two big fights, give us three big fights!
We're a team of means by all means, see you tonight!"

SENIORS

A new life opens for the class of '65.

The class of 1965 worked as a close-knit group to plan and conduct fund-raising activities to finance their senior prom and banquet.

Under the able leadership of Class President Ron Schauman, Vice-President Ken Fischer, Treasurer Michele Lange and Secretary Pam Baszler, the entire class worked with and for each other.

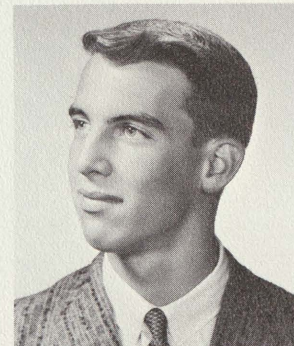

Nearly every member of the class had some duty to perform as 275 orders for Christmas cookies were baked and delivered. Numerous dances planned primarily by a hard working Activities Committee also added funds to the rapidly growing treasury. The most enjoyable of all the events was the basketball game between the high school faculty and a group of local disc jockies which provided the seniors with another 180 dollars.
